Synopsis

En un lote baldío o donde los vecinos arrojan basura y desperdicios. Un domingo de abril, una niña de origen vietnamita, limpia un pequeño espacio y siembra un pedacito de frijoles. Sin quererlo pone en marcha un ciclo en que la comunidad poco a poco va dejando su habitual aislamiento y desconfianza, para participar en la creación de un huerto colectivo.

Customer Reviews

Clear and thoughtful translation of the teen novel, *Seedfolks*. I bought it for non-native speakers in a Language Arts class and it was extremely helpful in allowing them to participate in our class discussion and understand different aspects of the immigrant experience. A solid read in English & Spanish

Some of the pages were missing from the novel. The translation is inaccurate in many instances. The illustrations are not compatible with the novel.
