# Hablado Bien Se Entiende La Gente (Spanish Edition)

## Synopsis

300 cápsulas aclarando el uso correcto del idioma español. Incluye los errores más comunes que cometen los hispanohablantes en EEUU. Con un tono simpático y acompañado de ilustraciones, la Academia Norteamericana de la Lengua Española (ANLE) nos ofrece un manual para que el español sobreviva sin que el spanglish deteriore en EEUU. La ANLE nos da alternativa de uso de esos anglicismos. ENGLISH DESCRIPTION 300 capsules clarifying the correct use of the Spanish language. It includes the most common errors made by Spanish speakers in the USA. With a refreshing and lively tone, and accompanied by illustrations, the North American Academy of the Spanish Language (ANLE) offers us this manual so that the Spanish language can survive without spanglish tarnishing it. The Academy also offers alternatives to those anglicisms.

ISBN-13: 978-1603966269

Product Dimensions: 6 x 0.5 x 9 inches

Shipping Weight: 8.8 ounces (View shipping rates and policies)

Average Customer Review: 3.9 out of 5 stars See all reviews (19 customer reviews)

Best Sellers Rank: #714,771 in Books (See Top 100 in Books) #413 in Books > Libros en español > No-Ficción > Educación > Referencia #624 in Books > Libros en español > Referencia #1109 in Books > Textbooks > Communication & Journalism > Communications

## Customer Reviews

I can't believe more people haven't supported Kim Potowski's point of view on this book. The book is offensive towards heritage Spanish speakers, English/Spanish bilinguals, and any speakers who have been in contact with English, really. These millions of speakers are basically being told by ANLE that their Spanish is primitive and less-than-human because it does not follow prescriptive language use. Here's one of those "humorous" allusions from the book that are praised in other reviews: "Tarzán, el hombre-mono, podía comunicarse con Jane a la manera tarzanesca: Yo ser fuerte". Y no faltará a quien argumente que basta que uno comprenda el mensaje

para que resulte suficiente. Sin embargo el lenguaje primitivo y balbuceante no es el vehículo más adecuado para la comunicación, ya que no sólo puede distorsionar el sentido sino privar al hablante y al oyente de la satisfacción de expresar de manera correcta y elegante exactamente lo que quiere comunicar. •There's no research needed to explain that comparing English-influenced Spanish to a primitive ape babble spoken by Tarzan is extremely offensive.. Even code-switching bilinguals have complicated rules that govern their language use; these rules do in fact allow them to "expresar...exactamente lo que quiere[n] comunicar." For all the people who have talked about the humorous tone of this book, let me put it in perspective for you. Do you think African Americans would laugh if an English language institution wrote a book that mocked African American Vernacular English and alluded to it as being ape-like and primitive? Not quite as funny anymore, right? Oh but wait, it's different because according to D Dumitrescu, "Hispanics DO have a great sense of humor."...
