Customer Reviews

I picked four stars because I'm the first to review it, and I didn't want anyone to think I was associated with the author, which I am not. It's funny, it's engaging, and it's thoughtful. It's easy to get burned out on plays that take a shallow look at multiculturalism. ("My Mom is Mexican and my Dad is Jewish...Oy Vey Loco!") Condensing plays that can only define heritage as "wacky," and barely go past trodding through cliché stereotypes. "Ching Chong Chinaman" is not one of these plays. It explores the concept of identity in a poignant, fresh manner that stays with you. Fully recommended.
