Teacher Created Materials - TIME For Kids Informational Text: La Vida Marina (Sea Life) - Grade 1 - Guided Reading Level F (Time For Kids Nonfiction Readers: Level 1.6) (Spanish Edition)

Synopsis

From tide pools to the ocean, the sea is filled with amazing life forms! Early readers will be engaged from beginning to end with informational, Spanish-translated text, vivid photos, and a picture glossary of marine animals. About Shell Education Rachelle Cracchiolo started the company with a friend and fellow teacher. Both were eager to share their ideas and passion for education with other classroom leaders. What began as a hobby, selling lesson plans to local stores, became a part-time job after a full day of teaching, and eventually blossomed into Teacher Created Materials. The story continued in 2004 with the launch of Shell Education and the introduction of professional resources and classroom application books designed to support Teacher Created Materials curriculum resources. Today, Teacher Created Materials and Shell Education are two of the most recognized names in educational publishing around the world.

Customer Reviews

This book is ok, but very small for what you are paying. I thought it would have more pages.

very nice just as described
